Reg: CCC/705

2021-2020 SCHOOL YEAR

- AIMS:** To develop intellect, spirit, physique, creativity, emotional and social skills in a multi-cultural environment.
- CURRICULUM:** Our program is based on a thematic approach derived from the Creative Curriculum from Teaching Strategies (USA). We use English as the medium of teaching with Mandarin lessons starting from K1. Within each theme, the study of language, mathematic concepts, science, social studies, physical development, and creative arts and music are explored. We also offer a Chinese stream starting from K1 in Cantonese for those students who wish to learn Chinese reading and writing. K1-K3 students may extend their hours to join the optional Cantonese class in the afternoons; you may ask the school office about the fees.
- CLASS SIZE:** Our classroom limits range from 18 to 26 with a student teacher ratio of 11:1 in the kindergarten and 8:1 in the nursery.
- BUS SERVICE:** Please note we currently only provide bus service to the attached listed stops. Please ask about other bus stops that are not on the list. Please also note that for those K1, K2, & K3 students who choose the 9:00am-12:00 noon option, 12:00 bus service is only provided for those stations set for nursery students as they have priority for the 12:00 bus route. Nursery students have the roundtrip bus service for both morning and afternoon sessions.
- VISITS:** We welcome visits and encourage parents to visit our school to see if our school fits your child's needs. Please call our school to make appointments as we have limited time slots. Please send all enquiries to admin@kornhill-edu.com.
- FEES:**
- Nursery** per year: \$71,390 spread over 11 months (**\$6490** per month; 9:00am-12:00noon or 1:00pm-4:00pm) with medium of teaching in English.
